

Partnership. Progress. Possibilities.

May 4, 2021

9:30 AM - 12:45 PM EDT

9:30 – 9:45 Live Breakout Demo Session 1 & Networking – Visit Comcast Technology Solutions, Tata Elxsi, and Tech4Home.

9:45 – 10:00 Live Breakout Demo Session 2 & Networking – Visit Askey, Infosys, Kaon, and Metrological.

10:00 – 10:10 Summit Welcome – Jason Briggs, Executive Director of RDK, will kick off the morning and provide an update on RDK progress around the globe.

10:10 – 10:25 Strategic Keynote – Following on his discussion at the 2020 RDK European Summit, Matt Zelesko will highlight recent deployments using Lightning™, including Comcast platforms that use this app development language.

10:25 – 10:35 Direct Media Engine – Rajgopal Narayan, Senior Director, Software Systems at Broadcom, will explain how Broadcom’s contribution will enhance RDK4 by standardizing direct-to-SOC APIs for seamless integration of high-performant global streaming applications.

10:35 – 10:50 Community Update – RDK’s Zlatko Sator, Head of Business Development, and Glee Abraham, Head of Technical Operations & Engineering, will discuss investments RDK is making to support the growing RDK community, including the Continuous Integration Lab and the Hardware Validation Suite, designed to enhance platform stability.

10:50 – 11:10 Break: Visit the Demo Booths and Network

11:10 – 11:25 Global RDK Talent – GCS Recruitment Specialists’ David Bloxham and Jon Gibbs introduce the new RDK Developer Certification Program, designed to assist our community in finding qualified RDK talent.

11:25 – 11:55 RDK Roadmap – Rob Suero, Head of Technology for RDK, Labeeb Ismail, SVP, Device Software at Comcast, and Charles Moreman, Executive Director, Systems Architecture at Comcast, will provide an update on the latest RDK Video and Broadband enhancements.

11:55 – 12:15 Live Q&A and Speaker Wrap up

12:15 – 12:30 Live Breakout Demo Session 3 & Networking – Visit Consult Red, GCS Recruitment Specialists, Humax, and Tata Consultancy Services.

12:30 – 12:45 Live Breakout Demo Session 4 & Networking – Visit Accenture, Skyworth, and Technicolor.
